Balloon Regatta Saturday, August 19

The 37th Annual Elephant Butte Balloon Regatta will launch on August 19 and 20 from Lion's Beach at Elephant Butte Lake State Park.

Activities will begin Friday evening when skippers and sponsors are greeted at the Elephant Butte Inn at 6 p.m. and a mandatory pilots' meeting held at 7 p.m.

Between 7 and 8:30 a.m., Saturday, pilots will begin inflating balloons for a mass ascension between 8 and 9:30 a.m. with baton competition and pilot target competition. From 6:30 to 7:15 p.m., a balloon glow will be held on Lions Beach.

A second mass ascension will be held on Sunday, starting at 7 a.m. following a mandatory briefing at Elephant Butte Inn. All activities are subject to weather and wind conditions.

The Elephant Butte Balloon Regatta (EBBR) provides an opportunity for balloonists, skippers and sponsors to get together and have fun at Elephant Butte Lake, NM. Additionally, it provides the communities of Elephant Butte, Truth or Consequences and Williams-

burg additional visitors in the late summer season.

The EBBA traces its history back to the 1970's when balloonists would come to Elephant Butte Lake for the Mother's Day weekend. The timing of the rally was generally dependent on when the balloonists decided that spring had arrived and it was time to go to "The Lake" and fly. The "Cloudbouncer", the official monthly publication of the Albuquerque Aerostat Ascension Association (AAAA or Quad A) March 1980 issue announced "The Elephant Butte Mother's Day Campout" to be held May 10 and 11. The March 1981 issue of the "Cloudbouncer" announced "The Greater Mesilla Valley Aerostat Ascension Association Annual Easter Fly-in" would be held April 18 and 19.

In 1989, Oppenheimer Industries donated \$500 for prize money if the balloonists would fly over the lake to the Champagne Hills subdivision. The Coast Guard Auxiliary became concerned that balloons flying over the lake might get into trouble and provided five

chase boats to ensure safety. This concern for safety led to the formation of the EBBR and the Balloon Boat Relay Race (BBRR) provided a chase boat for each balloon forming a racing team. The skipper carried the drop marker, baton, for the balloon race out onto the lake. The balloonists then do a water landing, known as a "Splash and Dash", to receive the baton and carry it to the designated drop area. Prizes and/or prize money is then awarded to both the winning pilots and skippers. The flying and boating has continued this tradition over the years. On July 1, 1998, the City of Elephant Butte was incorporated as the 101st city in the State of New Mexico. The new city chartered their own Chamber of Commerce in Sept. 1999 and one of their first acts was to purchase the rights and copyrights to the Elephant Butte Balloon Regatta by unanimous vote.

In 2007, the Chamber decided to stop running the rally and the rights were transferred to Kevlen Cloney and Al Lowenstein.
