LEAK

Continued from Page A1 asking all citizens to help conserve water resources... Please adhere to current watering restrictions and limit unnecessary usage. This will reduce the possibility of a City-wide water shortage and the necessity of implementing mandatory reduction in the use of water and mandatory reductions on non-essential usage."

The ad includes photos from a number of sites where the group states water leaks have been the norm for several weeks, and concludes with calls for City Manager Fuentes and Mayor Steve Green to resign.

It remains to be seen if the progress made by city staff is enough to satisfy the city's group of concerned citizens enough to take some of the heat off Mayor Green and City Manager Fuentes. ***

City Commission Meets Today

By Tony A. Archuleta
 HERALD Reporter

The Truth or Consequences City Commission meets at 9 o'clock this morning (Wednesday, July 11), in the Commission Chambers, with an abbreviated agenda.

City Clerk/Treasurer Renee Cantin will present a 2018-19 Open Meetings Act resolution.

"The Open Meetings Act, or 'Sunshine Law,' generally requires that the public business be conducted in full public view, and that the deliberations of public bodies be open to the public," Cantin states in a commission action form. "The resolution is generally adopted as the first resolution of each Fiscal Year at the first meeting in July."

The resolution also states that regular commission meetings will be held on the second and fourth Wednesdays of the month, starting at 9 a.m.

Under new business: appointment of members to both the Recreation Advisory and Public Utility Advisory boards.

Staff recommendations are to appoint Carole Wheeler to the Rec board, and reappoint chairman Greg D'Amour and member Christie Conklin to two-year terms. Destiny Mitchell and Ed Ragsdale also serve on the board, with their terms expiring in 2019.

On the PUAB, applicants are current chairman George Szigeti, vice chairman Jeff Dornbusch, and members Gil Avelar, Ron Pacourek; and Edward Williams.

The next regular city commission meeting is scheduled Tuesday, July 24 - a change from the usual Wednesday. ***

K-9 Forensics Search and Recovery Team In Sierra County Receives New Bloodhound

By Wendy Kessinger

Meet Tracker he is our newest addition to the Team. Tracker is a pup who was ceased along with siblings and his parents from Miami, Florida. The whole family of Bloodhounds ended up in a Kill Shelter where they were then rescued by Paws Crossed Inc in Fort Myers, Florida. From there K 9 Forensics inquired about them. We would rescue Tracker and he would be donated to the Team.

The journey to New Mexico starts with its A Dogs Life Transport, from Fort Myers, Florida to Tennessee with Forensics sister Team Truth Seekers Laura King. A meet was made then in Tennessee with one of the Handlers Asyltas Fox's Parents Jon and Mary since they were in Ohio and then transported to ABQ. Ginny Lu-

cero and Wendy Kessinger then traveled to ABQ to pick him up and bring him home to Sierra County. When we say it takes a village it takes love and good-hearted community to pull together. Right now we are concentrating on weight gain and health and of course playtime with the other team K9's. Hopefully training for trailing missing children and Alzheimer's will begin soon.
